The information in this sheet only contains general descriptions and / or performance features, which may not apply precisely as described to the respective application, and which may change due to further product enhancements. The technical data, illustrations and other information about our products are the mere results of individual technical testing. These descriptions and other product features are only binding if they expressly agreed upon at the time of the conclusion of a binding contract. In all other cases, we reserve the right to make technical changes as well as changes of availability. Pictures and other graphic illustrations are approximations only. All product names may be trademarks or brand names of the RAFI Group or any other sub-supplier of RAFI. The use of such by any third parties for their own purposes may infringe the rights of the respective entity holding those rights. Subject to change and errors excepted. Details about delivery times and availability are noncommittal and have no legal force.

Product discontinuation

PD-2022-013

Publication date: December 1, 2022

Transitionally, you can continue to use your application with M8 cables using an M12 to M8 adapter. This is how our RAMO T M12 can be mounted with M8 cables. These adapters are offered by various cable manufacturers, so the following link is only an example:

<https://shop.murrelektronik.de/en/Connection-Technology/Adapter/Adaptor-M8-male-M12-female-A-cod-7000-88531-0000000.html?listtype=search&searchparam=adapter+m8>

Please consider that RAFI cannot guarantee the availability any more. In case of questions or demands do not hesitate to contact the known RAFI contact person.

Please forward this important information also to other responsible departments in your company.

We thank you for the trust you have placed in us and our products and look forward to further cooperation with you.

Best regards,

Product Management
